JOINT MOTION TO MODIFY CASE SCHEDULE

Briggs and Stratton Corporation and Kohler Co. (together, “Opposers”) and Honda Giken Kogyo Kabushiki Kaisha (“Applicant”), through their designated counsel, jointly request that all case deadlines as set by the Board’s February 20, 2015 Order be extended by approximately seventy-five days.

On November 3, 2014 the Board suspended proceedings pending the disposition of Opposers’ motion to compel the production of certain documents. *See* Dkt. No. 101. At that time, fact discovery was largely complete with the exception of those requests that were the subject of Opposers’ motion and one previously-noticed deposition of a Honda 30(b)(6) designee who resides in Japan, and who has since been deposed.¹ Expert discovery, however, was not complete; the parties had previously agreed that the depositions of both functionality experts would take place after the official close of discovery, but no later than the start of Opposers’ Trial Period. *See* Dkt. No. 91. Accordingly, this extension is intended to accommodate the time required for the parties to submit supplemental expert reports on functionality and to complete the depositions of those experts before the commencement of Opposers’ Trial Period and to

¹ Because this deposition had been noticed before the stay, and due to the difficulty scheduling foreign witnesses, the parties proceeded with this deposition during the stay.

accommodate the schedules of counsel and witnesses.

Specifically, the parties request that the schedule be modified as follows:

Opposers' Pretrial Disclosures Due June 1, 2015

Opposers' 30-day Trial Period Ends July 16, 2015

Applicant's Pretrial Disclosures Due July 31, 2015

Applicant's 30-day Trial Period Ends September 14, 2015

Opposers' Rebuttal Disclosures Due September 29, 2015

Opposers' 15-day Rebuttal Period Ends October 14, 2015

WHEREFORE, cause having been shown, the parties respectfully request that their joint motion be granted.
